Phoenix, Arizona +1 509-319-7999 smadja.rafael@gmail.com LinkedIn ayesmajstudios.com

Multidisciplinary Art Director, 3D Artist and founder of AYESMAJ Studios, creating connected brand worlds across identity, packaging, premium web experiences, AI-assisted content, product CGI, motion, VFX and storyboards. Leads projects from positioning and visual direction through production and launch, translating technical, commercial and spatial ideas into clear, cinematic systems.

CREATIVE PROFILE

Direction + design
3D + cinematic craft
Strategy + delivery

PROFESSIONAL EXPERIENCE

Art Director

2024 - Present

PODOS AI & Syntropic

- Own creative direction across brand identity, investor presentations, websites, product storytelling and cinematic launch campaigns for advanced AI and infrastructure companies.
- Translate technical concepts into clear visual systems, product CGI, storyboards, motion direction and presentation-ready communication.
- Maintain consistency across typography, color, diagrams, interface visuals and AI-assisted production while collaborating with founders and technical teams.

Founder & Creative Director

2022 - Present

AYESMAJ Studios / Self-Employed

- Lead complete brand-world projects spanning strategy, identity, packaging, responsive web, AI image and video, 3D/CGI, motion, storyboards and launch campaigns.
- Direct AI-assisted production through a human-led creative point of view, maintaining one coherent visual language across every deliverable.
- Manage discovery, proposals, production planning, art direction, client presentations, feedback and final delivery across technology, consumer, hospitality and service sectors.

Sales Consultant

2024 - 2026

Construction & Remodeling

- Managed residential construction and remodeling sales from consultation and site assessment through scope, estimate, negotiation and close.
- Translated technical options into practical client decisions and coordinated expectations between homeowners and field teams.

RAFAEL SMADJA

EARLIER EXPERIENCE

3D Artist

2022 - 2024

Fuzion

- Created 3D animation, modeling, visual effects, motion graphics and branded video for advertising, social media, logos and product communication.
- Presented mockups and simulations, gathered feedback and refined visual materials around brand and production goals.
- Collaborated with artists and animators while troubleshooting rendering, optimization and scene-performance constraints.

3D Character Artist

2021 - 2022

Meta Madagascar Island

- Designed and produced assets for a generative collection of 10,000 distinct 3D characters in collaboration with software engineers.
- Created models, materials, textures, lighting and presentation renders with consistent quality across a large asset system.

AYESMAJ
STUDIOS

RAFAEL SMADJA / AYESMAJ STUDIOS

We build brands. We create worlds.

Brand systems, premium digital experiences, product CGI, motion, storyboards and spatial worlds—presented as one connected body of work.

A complete creative practice, organized to be explored.

Every brand receives a dedicated system page with identity, palette, digital experience, hero imagery and applications. Selected projects expand into a second editorial spread; the final chapters reveal the wider studio practice.
